

Summer Institute 2010

Mental health and substance use issues among children and youth in BC schools

The Summer Institute provides a unique professional development event for teachers, other educators, parents, and mental health professionals on mental health and substance use issues among children and youth in school environments. The Institute will focus on helping educators recognize, understand, and help students with mental health and substance use issues in school environments. Key resources will also be provided.

Topics

Anxiety | Eating Disorders | Self-Harm | Mental Health & Alcohol and Drug Use

Date

Thursday, August 26, 2010 – 8:30a.m.-4p.m.
